

Increase PSE product sales with pocket panel cards

PSE pocket panel cards offer the patient the ability to:

- Compare product labels
- Choose a preferred brand
- Compare prices

Order your initial display kit today!

See recommended PSE Card planogram on McKesson Connect to assist in placing your order.

PSE card flex pocket panels offer you a promotional display system to help drive sales. Each panel displays 12 PSE cards to inform patients of product availability. The display shows PSE product availability behind your counter without taking up any shelf space.

Receive free for a limited time – a \$200 savings!

Reorder refill cards at any time for only \$10 per pack/ minimum 5 packs per order.
